February Prayer Petitions by Marge Loenser

Let us praise and thank God for the wonderful turnout on January 24th for the March for Life. I really enjoyed all the speakers and I was especially mesmerized by the talk given by a survivor of an abortion. She is a surviving twin. She is God's miracle and lives her life as a testimony to it.

Here we are in February and what better way to start it than with the Presentation of our Lord in the Temple. Inspired by the Holy Spirit, Simon took the Child Jesus in his arms and thanked God for the promised Messiah. Following, we have the feast of St. Blaise who is the patron saint of throat diseases. On the 6th we celebrate St. Paul

Miki, a Japanese Jesuit priest, and his companions who were martyred in Japan for their faith. On the 10th we celebrate St. Scholastica, the sister of St. Benedict, and on the 11th we celebrate our Lady of Lourdes. Holy Mother, please bless us!

On the 26th I celebrate the 79th birthday of my younger brother Mickey, and believe it or not it's Ash Wednesday!! We begin Lent.

Dear brothers and sisters in Christ, let us remember St. Mark's prayer petitions with heartfelt supplications to our Lord Jesus. We lift up the many sick and their caregivers. We pray for those with addictions of all kinds. We pray for people struggling with their faith.

We pray for our Church, with its many challenges, secularism being one. God grant consolation to the lonely and frightened elderly. Please hear our prayers for family members who know longer practice their faith. Remember, St. Monica prayed for St. Augustine's conversion for 30 years. I wish you a blessed healthy and wonderful February.

Marge Loenser

P.S. Happy St. Valentine's Day on the 14th!

2020 March for Life Reflections

On Friday, January 24th, an estimated crowd of 450,000 people—mostly youth—participated in the March for Life in Washington, D.C. It was a historic event because it was the first time a sitting president actually attended the March and spoke before the crowds. His message was loud and clear: *“All of us understand an eternal truth: every child is a precious and sacred gift from God. Together we must protect, cherish and defend the dignity and sanctity of every human life.”*

Because of the enormous success of our Champion for Life dinner this past October when we honored Monsignor Sean and Bernie, we were able to send over \$11,000 to our pro-life charities AND were also able to make substantial donations to the MFL bus trips from St. Rose High School and St. Mary's in Barnegat. The pastor there, Fr. Walter Quiceno had appealed to Mary's Child to fund the bus so that several members of the community could participate. Most of this was achieved through the generosity of the parishioners of St. Mark's parish.

Besides seeing our President, it was also special to spend time in the Congressional office of Congressman Chris Smith who treated all of us to refreshments including my favorite—Krispy Kreme donuts! I saw several SRHS students there enjoying them with us! Caroline from our CYO was there and made an amazing video of the day. (Some of her photos are featured in this bulletin.)

As usual, the March was dominated by our nation's beautiful youth—mostly high school and college students. They bring endless joy to the day with their strong faith and convictions. I stayed in D.C. for a couple of days. My sisters and I

got to attend workshops, meetings, and the Expo, where we met those who run national pro-life organizations. In fact, several of them were supported by Mary's Child this year. Abby Johnson, known for the movie *“Unplanned,”* and other strong advocates for life were there signing their books. It was very exciting meeting Students for Life representing the “Pro-Life Generation.” It was extremely disturbing but somehow inspiring speaking with victims who had been trafficked and yet chose life for their babies.

The last night I was in D.C., I got to spend time with members of the Red Rose Rescue Mission. These saintly people including Fr. Fidelis and Joan Bell are “all in” for the babies. They so resemble the ardent faith and courage of the early Church because they lay down their very lives each and every day for

our brothers and sisters in the womb. One of them was saying that she will never again think of a jail term as a bad thing because every time she gets sent to one she meets people who are in spiritual darkness and so she is able to witness to her Catholic faith and pro-life beliefs.

All in all, the March for Life was an amazing experience as always. The abortion holocaust is the worst in human history and we all need to do something to save the babies. At the annual March for Life, we get to stand up and be counted among those who are trying to end this scourge against humanity. I felt honored and privileged to have stood there among them.

Mary Reilly, Vice-President,
Mary's Child Pro-Life Ministry

I recently attended the 47th Annual March for Life in Washington, D.C., with my husband and daughter who attends Saint Rose High School in Belmar. We were also joined by some of her fellow students and other Saint Rose parishioners. Being a pro-life advocate can be challenging to say the least, and our mission to defend the unborn can sometimes feel like an uphill battle, because our culture has accepted the abortion agenda and seems to have lost its respect for life. However, on Sunday there was such a feeling of unity as hundreds of thousands of people from all walks of life came together to march down Constitution Avenue in Washington, D.C., to speak for the most vulnerable among us— the unborn. People were there to empower the powerless and defend the defenseless. What was particularly uplifting was the countless number of joyful, enthusiastic high school and college students who were literally bursting with excitement at the prospect of building a culture of life. They proudly waved their flags and signs and chanted their beliefs. They marched with such selflessness and hopefulness at the thought that they were making a difference.

If we are to be successful in ending abortion and promoting a culture of life we will need these young people to continue the fight to change the hearts and minds of those who are advocates of abortion. It was thrilling to see thousands of young people letting their passion be known and putting their faith into action. They are America's future and they are here to let others know that "Life Matters." This pro-life generation will continue to do so not until abortion is illegal, but until it is unthinkable.

President Trump delivered a very impassioned speech at the march. I was very moved by the following passage for its beauty and truth and I hope you are too: *"Together we must protect, cherish, and defend the dignity and the sanctity of every human life. When we see the image of a baby in the womb, we glimpse the majesty of God's creation. When we hold a newborn in our arms, we know the endless love that each child brings to a family."*

Ann Caputo, St. Mark's parishioner

"We marched because my friends and I are Students for Life and part of the pro-life generation and we believe being part of this cause will end the injustice of abortion."

Caroline Caputo

St. Rose High School Junior

Cardinal Raymond Burke joined these pro-life marchers and an abortion survivor (above) as they joined in singing, "Simply the Best!"

Es una oportunidad para que los adolescentes en los grados 8-12 grado se encuentren con Jesús a través de la celebración alegre de nuestra fe católica, presentaciones dinámicas y la oportunidad de conectarse con otros jóvenes católicos más allá de su parroquia o escuela.

¡Todos los adolescentes y un amigo acompañante en 8-12 grados están invitados! Transporte disponible desde San Marcos
