The Annual Blessing of Throats in Honor of the Feast of St. Blaise will take place on Monday, February 3rd at the 7:30 AM and 11:00 AM Masses. Blessing of the Throats will also be offered at all Masses this weekend, February 1/2.

On the Feast of St. Blaise, Priests will hold two unlit tapered candles around the throats of the faithful to invoke the intercession of the saint who was known for healing ailments of the throat and body. It's an ancient custom of the Church to bless the sick, rooted in the ministry of Christ and his Apostles. According to the Pastoral Care of the Sick: Rites of Anointing and Viaticum, the annual blessing of the throats is a traditional sign of the struggle against illness in the life of the Christian. The blessing is ordinarily given during Mass, the day following Candlemas, the Feast of the Presentation of the Lord, when the candles are blessed.

**February 7-14
National Marriage Week USA™**
Let's Strengthen Marriage

A national campaign to help marriage which benefits children and reduces poverty

The Benefits of Marriage:

- Married adults live longer lives, have better health, and greater personal happiness.
- Children raised by both parents at home perform better in school, have less addiction, less teen pregnancy and less trouble with the law.
- Marriage is the unsung anti-poverty program.
- Single motherhood is greatest cause for poverty among women and children.
- Married adults have more wealth and financial stability.
- Healthy marriage saves U.S. taxpayers—costs \$112 billion per year for divorce and unwed childbearing.

What Can You Do?

- Find a marriage class or event near you on the NMW National Calendar!
- Mobilize your organization to start a new marriage class or host a special event.
- Help build a groundswell of marriage education across the nation, and post your info for free with us!
- Launch a National Marriage Week USA Celebration in your town!

What Can We Do Better

- Huge decline in married adults: from 79% in 1970 to 57% in 2013
- US births to unwed mothers grew from 5% in 1960 to an alarming 41% in 2008
- White, working-class U.S. children living with both parents declined from 96% in 1962 to only 57% in 2004
- Never-married Americans soared nearly 4-fold from 2.1 million in 1970 to 7.7 million in 2012
- Teen birth rate for girls when their father leaves before they are 6-yrs-old is 35%, 7-times the rate from when fathers stay married.
- Boys without fathers at home are twice as likely to end up in prison

Marriage Reduces Poverty

- We'd have 25% less poverty today if we had the marriage rates we had in 1970.
- Only 2% chance of poverty if you finish high school, work fulltime, & postpone marriage/child bearing until age 21. 77% chance of poverty if you don't do these 3 things.
- In U.S., marriage drops probability of child poverty by 82%.

Love never fails

Some Thoughts for February, by Marge Loenser

February is a special month for many reasons. It takes its name from the Roman Feast of Februa, which was a feast of spiritual purification or cleansing. It's special because it is the shortest month of the year having only 28 days, and

Jessie & Katie

every 4th year, (which we call a "leap year") it has 29. Because of the many milestones it holds for my family, it is especially dear to us being all sweetness and bitterness. On February 2nd, which is the Feast of the Presentation, Baby Jesus was presented to the Father in the temple. On February 2, 1965, Baby Celeste was presented to me as my third little girl. On February 7, 1988, Celeste was presented with her second little girl, Katie. Katie was shy and precocious and grew up to be a caring and a wonderful Nanny. She loved children and dogs. She was quite a loveable character. She chose to be a vegan, refused to wear regular shoes and would wear "flip flops" even in the winter. She would watch your kids, walk your dog, and help you clean your house

and actually enjoyed every second. Katie married Jessie, in 2019 who was an equally sweet and gentle soul; and a very talented musician and believe it or not was curator of the Bug Museum in Toms River (he has been seen on the NJ TV channel). In July, 2021 Katie and Jessie were presented with Riley, their first little girl. While pregnant Katie developed brain cancer. This was of course devastating to the little family and all of us and we prayed so hard and stormed heaven for her recovery and a healthy birth. There was a remission of sorts after the birth and Katie became pregnant again. Sadly, the cancer came back and Katie once again fought for her life and the life of the baby. Shae was born in October, 2022, beautiful and healthy. Thank God. Katie endured months and months of rehab and continued with cancer treatments. Sadly, the cancer came back and God called our sweet Katie home on February 12, 2024, just 5 days after her 36th birthday. I think of my Katie every day and know she is busy in heaven directing the angels as they care for the little ones and even the dogs. The late Fr. Groeshel of EWTN felt very strongly that God allowed animals to enjoy paradise. This is not dogma, but a sweet idea, nice to think about. We love you Katie, we miss you, please look over us and keep us in prayer. Your babies are well taken care of and surrounded constantly with love.

The 11th, of course, is the Feast of Our Lady of Lourdes; Lourdes, France, being one of the most visited pilgrimage sights in the world, where many healings have taken place. It started with our Blessed Mother appearing to a young peasant girl by the name of Bernadette Soubirous. Her incorrupt body is on display in the Chapel of Saint Girard at the Sisters of Charity in Nevers, France. St. Bernadette, please pray for us.

Of course the 14th is St. Valentine's Day. There were three martyred priests by that name in the third century. One of them married a young Roman Soldier to his sweetheart. Soldiers were forbidden to wed by Emperor Claudius. Valentine was imprisoned for this, and while there he healed a young blind woman and started to evangelize her pagan household. He was imprisoned again, and while in prison would exchange letters with her, whose blindness he had healed and would sign the letters, from, "Your Valentine" thus the tradition started. Well, enjoy Valentine's day and may your life be filled with love, and please know that you are loved by God and that YOU are HIS valentine.

Love,
Marge

CYO News by Mary Reilly

Last Sunday, Mrs. Weckesser (CYO Mom), and I spoke about the recent March for Life in DC and the importance of being a voice for the voiceless. First our CYO read a play about how Jesus came to the rescue of a woman who was about to be stoned to death for the sin of adultery. Her accusers, not considering their own sins, were filled with hypocrisy. “He that is without sin, let him cast the first stone.” Mrs. R shared the story of when her daughter defended the right to life of an unborn child in the lunch room at her high school. There was a pregnant girl there talking about how her parents insisted that she have an abortion and this girl felt that she had no “choice.” All of the girls there (except one) also urged her to have the abortion. This frightened teen felt that there was only one person in the whole world who really cared about her and her child; and thankfully, because of that solitary voice, she chose life.

Just as these chose to defend someone who could not defend himself or herself because of the shouts of the angry mob and parental and peer pressure, we too can be a voice for the voiceless. Trafficked and abused and neglected children also urgently need our voices.

Save the date: Our annual Valentine’s Day Walk for Hunger, honoring Jillian Ludwig, is now scheduled for Sunday, February 23rd (Rain/snow date is Feb.22nd.) More information and a flyer will be in upcoming bulletins.

Chris R will be speaking about Blessed Carlos Acutis at our next meeting and Jack O’ C will be talking about St. Damien of Molokai.

Sisters of Life at this year’s March for Life.

Social Concerns Programs

Feeding the Hungry

Are you looking for an easy way to help those in need? Here's one way you can make a difference. St. Mark's Social Concerns Ministry is resuming the Frozen Meals Program for the Center in Asbury Park which was discontinued due to the Covid pandemic. The Center in Asbury Park, Inc., is a volunteer-based New Jersey not-for-profit service organization, providing support services for people living with HIV/AIDS and their caregivers since 1992.

The process is simple! Here's what to do:

- Pick up food trays and lids next to the kitchen refrigerator in Fr. Child's Hall (St. Mark's Church basement)
- Fill the trays with generous portions of food
- Label the tray lids with the contents and date of preparation
- Return the meals to the freezer compartment of the refrigerator in Fr. Child's Hall.

Please use only the trays provided.

St Mark's volunteers will deliver the meals to The Center for distribution to their clients.

Please contact Marybeth or Joe Walsh at 732 449-5656 with any questions. Your participation is greatly appreciated.

Collecting Travel Size Toiletries

St. Mark's Social Concerns Committee is collecting travel size toiletry items (soap, shampoos, toothpaste, toothbrushes, combs etc.) for delivery by volunteers to those in need in the Asbury Park area. Containers are located at Church entrances. **Thank you!**
